Hi Barbara/Andrew,
Here is the complete revised version of the draft. I am attaching both a clean version and a version with track changes for your convenience. I would like to discuss with you at your earliest convenient time once you get a chance to read the revised version.

Hi Andrew/Barbara,
Good Morning.
I guess you still may not have access to your computers. I was going over the ADME draft and thought I need to make few edits. With that in mind I will make those changes, write the summaries and send the revised draft by COB today. Please hold on to the earlier draft sent on Friday.
